Dance Coaching Australia is a boutique dance training studio designed to cater for families of today. Providing small group and private coaching sessions to toddlers right through to senior citizens and beginners through to elite competition soloists.

A WELCOMING, FAMILY FRIENDLY DANCE STUDIO!

- *Parents join in our 2-4 year old classes when their little one needs help*
- *We allow parents to watch classes*
- *Term by term online bookings, no year-long contracts*
- *No end of year concert (no extra rehearsals, costumes, tickets etc)*
- *Casual attendance is welcome to cater for fito families, adult dancers etc*
- *Small class sizes*
- *Dance exams and competitions are optional*
- *We value quality over quantity implemented through small class sizes and appropriate progressions to develop strong, safe, exceptional dancers. Quality takes time.*
- *We value life-long learning and therefore encourage students to never lose their passion for dance. Students participate in improvisations and make-believe, to assist in keeping the magic of dance alive.*

We value the importance of a quality dance education. Our Artistic Director (Amanda Day) is a university qualified dance teacher and has trained extensively in our state's top institutions including John Curtin College of the Arts (Distinction, Performing Arts Perspectives), WAAPA BA Dance, Grad Dip Ed (Dance/Drama) and is a Royal Academy of Dance Diploma in Dance Teaching Studies graduate. Fortunate to have trained at a Perth ballet school and WAAPA, taught by our industry's best including an ex Artistic Director of the Australian Ballet Company, Vale Dame Lucette Aldous and retired ballerinas from the Royal Ballet Company and the West Australian Ballet Company.

Dance Coaching Australia aims to deliver a fuss free experience for our clients, which is overseen by our Business Director and Studio Manager, both retired bank managers with decades experience in managing multiple branches.

If you are looking for a boutique, family friendly experience with quality programs, we look forward to welcoming you to the studio!

INFORMATION

Nothing beats the one on one attention a private lesson provides

Private coaching sessions may be booked for a variety of different reasons:

- To work on a particular skill or genre not offered on the group coaching timetable
- Some clients prefer one on one sessions rather than group coaching
- To accelerate rate of progress
- To enhance performance of exam work
- To learn and refine a solo for competitions
- To prepare for WACE Dance exams and auditions

Each session must be booked and paid for in advance.

Shared lessons/semi-private lessons are available.

Strictly limited places are available, book early to avoid disappointment.

For competitions and exams: This fee is for tuition during private lessons only and does not include associated costs of attending competitions and examination fees. As a small group/private coaching studio (not a traditional/typical dance school), parents may request teacher attendance at competitions (fees apply. Compensation to attend competitions is not included in standard private coaching tuition fee).
